

# Glamorgan Community Planning Workshop 1: Kick-Off

Glamorgan Community Centre  
Wednesday, April 18, 2012, 6:00–9:00pm

## Agenda

---

### Objectives

Introduce community members to the PlanYourPlace project and engagement process (including benefits and limitations). Provide sufficient information about both to describe what will happen, and to broach informed consent. Following this, provide sufficient information about planning practice, middle ring issues, and the municipal planning process to ask what outcome the community would like from the participatory process, and to create a set of rules and a plan for the dissemination and ownership of the products. Finally, provide enough information to enable participation in subsequent phases and to generate a desire to do so.

Activity	Time
Presentation 1 -- Introduction to the project and participatory planning process	30 minutes
Exercise 1 -- Informed consent	20 minutes
Presentation 2 -- Information about planning principles, municipal planning process, planning in their community, and further resources	45-60 minutes
Exercise 2 -- Process direction breakout sessions (snowball exercise)	2 x 30 minutes
a. Determine what the community wants from the process, and	
b. Create a set of rules and a plan to govern ownership and use of products	
Wrap-Up	10 minutes
